

SPRING 2024 SHOW OVERVIEWS

30 Plays in 30 Minutes by Kamron Klitgaard

(Monday Jrs and Teens Acting classes)

An acting class takes on the challenge of performing 30 plays in just 30 minutes. Can they achieve the seemingly impossible? With lots of flexibility in roles and plenty of laughs, this project is perfect for our short semester prep time. Super fun for the cast as well as the audience!

Raise Your Voice: A Broadway Jr Revue Show

(Tuesday and Thursday Musical Theatre Classes + Sprouts MT class)

Pure Imagination: A Broadway Jr Revue Show

(Wednesday Musical Theatre Classes)

Musical Theater International has composed two fantastic revue productions featuring some of the best musical numbers from their Broadway Jr series of shows. Raise Your Voice features songs geared more towards middle school and high school students (Legally Blonde Jr, Sister Act Jr, Into the Woods Jr) while Pure Imagination is tailored for elementary school age d kids (Junie B Jones, A Year With Frog & Toad, Annie Jr, Frozen Jr).

How are parts assigned for these shows?

Each revue show has a variety of musical selections—large group numbers with an ensemble, solos, and small group numbers. There are many opportunities for solo vocal parts in this show and we welcome any and all students who are interested and

willing to show off their singing abilities to audition for those solos. **Video auditions** can be submitted the beginning of February. More details on solo auditions will be added to this website after registration is underway.

In addition to singing and dancing, cast members will also have the opportunity for speaking parts through transitional sketches and introductory pieces. *Students who are only interested in group ensemble and speaking parts will not be required to submit an audition this semester.*

What will the final show look like?

The end of semester shows will be performed “Glee-style” (simple staging, custom tee shirts for the cast to wear and keep) and will combine the talent and effort of 2 separate classes, each working on half the show’s numbers during the semester classes. Because of this unique dynamic, there will be no Showcase Cast for Spring 2024. Each double-class cast will perform 4 shows each in May. (For example, the Tuesday classes—Center Stage and Tuesday Teens—will be splitting the musical numbers in Raise Your Voice and will be combined (all 32 kids) into one show that will perform 4 times on their assigned weekend in May)

How do we know which songs each class will be performing?

Instructors will decide how to best divide the musical numbers based on the dynamics of each class and the results of the solo auditions submitted. There will be no decisions made before the first day of class with regards to musical numbers.
